

Chicago Outfit and the Democratic Party

The Chicago Outfit is still a major organized crime syndicate in the United States. The Chicago Outfit runs the Las Vegas casinos and use the cash flow for laundering their criminal profits. They control Vegas through the Nevada Gaming Commission and politicians like former Mayor of Las Vegas and defense attorney for the mobsters Oscar Goodman and his wife Carolyn Goodman who is the current Mayor of Vegas. The Chicago Mob have many organized crime associates who are Jewish and used as their front men to manage their businesses in Vegas and Hollywood like Frank Rosenthal who was from Chicago and ran various casinos in Nevada. They made a movie about it called Casino. Oscar Goodman worked as a defense attorney for mobsters including Frank Rosenthal and he was the mayor of Las Vegas from 1999 to 2011 and his wife Carolyn Goodman has been the Mayor of Las Vegas from 2011 until today. The Goodmans currently run Las Vegas and work for the Italian and Jewish mafias. Meyer Lansky II is a current top Polish-Jewish Mafia boss in the United States and he is working with the Chicago Outfit and he manages territories in Las Vegas today. Poju Zabludowicz is a billionaire of Polish-Jewish ancestry and he owns Tamares Group and owns large amounts of land on the Las Vegas strip. His son Roy Zabludowicz is a business analyst for Tamares. The Jewish mobsters have always been subordinate to La Cosa Nostra which authorized their formation of Murder Inc. through their Commission. Most of the top Jewish gangsters like Mayer Lansky and even Al Capone served Italian bosses like Big Jim Colosimo. Louis Capone was a boss of the Jewish Mafia known as Murder Inc. The Capone family are really a branch of the Florentine House of Capponi which is currently headed up by Count Neri Capponi today. Some of the Florentine noble families originated out of ancient Babylon.

The Chicago Outfit is primarily owned by the Colonna family and Florentine noble families like the House of Medici and House of Capponi. John Roselli was a top gangster in the Chicago Mob. The Rosselli del Turco family are a Florentine nobility with Marchese Niccolo Rosselli del Turco as the current head. The Colonna family also own the Colombo crime family of New York City. Both the Colonna and Colombo names mean column. Hollywood is a joint operation infiltrated by the Chicago Outfit and Five Families. Albert Warner was a founder of Warner Bros. and married to Bessie Siegel whose first husband was likely a relative of Bugsy Siegel. Bugsy Siegel was a co-founder of Murder Inc. and was friends with Dorothy DiFrasso a member of Hollywood. Dorothy DiFrasso married Count

Carlo Dentice di Frasso and she even introduced Bugsy Siegel with Benito Mussolini. The Frasso family are Sicilian nobility that have residences around Rome. The Five Families are competitors with the Chicago Outfit and also business associates at times. The Colombo crime family are the link between the two mafia factions. Jerry Reinsdorf is a billionaire and an owner of the Chicago Bulls and White Sox and he is a Jewish crime associate of the Chicago Outfit and Colombo crime family. Arnold Rothstein was a Jewish mobster from New York that had 8 players for the White Sox throw the World Series for the mafia's bets. The mafia still rigs professional sports for bets. Anthony Riccio is the second in command of the Chicago Police and an associate of the Chicago Outfit. Riccio handles Eddie Johnson the head of the Chicago PD who was appointed by the white collar Jewish mobster Rahm Emanuel who has a portrait of himself as the Godfather.

Several Mexican businessmen like the billionaire Antonio del Valle Ruiz and his son along with the group BXM Holdings has invested into Byline Bank which has been making a large amount of non performing loans. Antonio del Valle Ruiz is a high level overseer of Mexican drug cartels and he is worth over 3 billion. When banks make a lot of bad loans that don't get paid back it is usually for one of two reasons. The bank is using loans as a disguise for bribes and criminal pay offs which is what Byline Bank has been doing or the bank is using interest rates that are too high and that cannot be paid back. Roberto Herencia who was Jesuit educated at Georgetown has been Chairman of Byline Bancorp and Byline Bank and was President and CEO of BXM Holdings. Roberto Herencia was also nominated by Obama to serve on Overseas Private Investment Corporation's Board of Directors. The Chicago Outfit have alliances with the Mexican drug cartels which the Five Families are in competition with. The Chicago Mafia's alliance with Mexican drug cartels is related to their owners relationship with cartel owners in Spain like the Aragon and FitzJames families. The Colonna family have family branches in Spain and ruled as Viceroy in Aragon, Valencia, and Catalonia.

New York factions want a wall at the border to disrupt their networks. The Detroit Partnership work with both the Chicago and New York factions and the Balistreri crime family are the Chicago Mob's reinforcement. Several top Mexican bankers went to the University of Chicago like Agustin Carstens the Governor of the Bank of Mexico and Francisco Gil Diaz the former Mexican Secretary of Finance. Robert Zimmer is the President of the University of Chicago and a very high level criminal associate of the Chicago Mafia. The Clinton and Obama families are in league with the Chicago Outfit and that is why Barack Obama was a professor at the University of Chicago. Rahm Emanuel is a Jewish mobster and associate of the Chicago Mob for the mob as the Mayor of Chicago and former Chief of Staff under Barack Obama. The Jesuit Georgetown educated John Podesta is from Chicago and the name Podesta is an Italian word for a high official or the chief magistrate of a city. John Podesta and his Jesuit Georgetown educated brother Tony Podesta founded Podesta Group a lobbyist racket. The Podestas and Hillary Clinton were caught using pizza as a metaphor for children and Hillary mentioned making a sacrifice to Moloch in these emails. The Podestas are involved with sex trafficking of children. Hillary Clinton was born in Chicago and has been financed by the Jewish-Zionist Chicago based Pritzker family and they are worth tens of billions. Barack Obama was president under the ATF's Project Gunrunner which ended up supplying weapons to the Mexican Mafia and drug cartels which were used in various murders of Mexican citizens. Border Patrol agent Brian Terry was killed by cartel associates and weapons found related to the crime traced back to the ATF's Operation Gunrunner also called Fast and Furious. Barack Obama promotes restricting the gun rights of Americans while supplying the Mexican drug cartels with guns that have murdered both Americans and Mexicans.

The Chicago Outfit operate in Arizona which is located next to Las Vegas and they have business deals with the Los Zetas cartel which are owned by the FitzJames and Alvarez families which are dukes of Zaragoza, Spain and the founder of the Los Zetas was from Puebla de Zaragoza, Mexico. This is why the city of Tucson, Arizona is really named after Tuscany. Florence is the capital of Tuscany, Italy. There is a Florence, Arizona about 40 miles north of Tucson. The Florentine nobility manage the Chicago Outfit and the remnant of the Jewish Mafia for the Colonna family. The Chicago Outfit is involved in weapons, drugs, and human trafficking across the US-Mexican border. Jimmy Inendino is a Chicago mafia boss in Cicero. Salvatore DeLaurentis is the current acting boss of the Chicago Outfit. The mafia use racetracks as headquarters and launder their criminal profits through fixed wins. The Chicago Outfit specializes in infiltrating the Democratic Party through blackmail, pedophilia, and human trafficking.

Meyer Lansky II is the top boss of the Polish-Jewish Mafia and an associate of the Chicago Outfit. Oscar Goodman the former mayor of Las Vegas and lawyer for the mafia.

<http://gangstersinc.ning.com/profiles/blogs/interview-with-mob-lawyer-turned-mayor-oscar-goodman>

Oscar Goodman defended the most infamous members of organized crime in the United States. Men like Meyer Lansky, Nicky Scarfo, and Anthony Spilotro. As their lawyer he stood by them and kept them out of prison for as long as he could. And with every successful case his reputation grew.

But for a man like Oscar Goodman the sky is never the limit. After decades of success in the courtroom he decided to run for mayor of Las Vegas. He was elected in the summer of 1999 and stayed on until 2011 when his wife took over as mayor of Sin City.

Oscar Goodman has no problem with the tag "mob lawyer" when running down his resume. "I wear it with a **badge of honor**" he says.

"You wouldn't call him Lefty to his face," **says Goodman of Frank Rosenthal** -- a casino executive who **secretly ran the Stardust** and other properties **on behalf of the Chicago mafia**. "He was a genius and the first to develop the race and sports books in Nevada as we know them today." **Goodman represented Rosenthal for years.**

Barack Obama with the banker Alexi Giannoulias whose Broadway Bank finances Chicago mobsters.

<https://www.illinoisreview.com/illinoisreview/2010/07/alex-giannoulias-man-of-the-mob.html>

"Alexi Giannoulias is a man of the mob who brings a proven record of poor judgment, risky behavior and reckless decision-making. Long before Rod Blagojevich went on trial or Roland Burris got an ethics censure, **Alexi Giannoulias was already loaning money to convicted mobsters, Tony Rezko and an illegal gun smuggler**. Alexi Giannoulias would be a disastrous choice for U.S. Senate."

When the family bank was flying high and Giannoulias had his eye on the treasurer's office, he was the senior loan officer, but when the tough decisions were made or the questionable characters came to call, it was almost always Alexi's day to empty the wastebaskets...

The takeaway for voters, so far, is that as a qualification for elected office, Giannoulias' banking background has been grossly overrated.

That experience — and the enthusiastic support of his friend, Barack Obama — got him elected treasurer.

Mr. Giannoulias personally visited Florida to see property involved in a Giorango loan. Asked if he was aware then of Mr. Giorango's criminal past, Mr. Giannoulias replied, "I didn't know the full extent of his legal problems." Full extent?

He was promptly reminded that on April 27, 2006, during his campaign for treasurer, he told Tribune reporters that he had discussed Giorango's criminal past with him. The discussion took place as Giannoulias worked on millions of dollars' worth of bank loans for Giorango.

Obama with Tony Rezko

Nearly three years later, fallout from **Mr. Obama's relationship with Mr. Rezko**, who **raised more than \$150,000 for Mr. Obama's campaigns**

Mr. Obama's name is likely to surface during the trial, if only because **\$10,000 of the money Mr. Rezko is accused of extorting wound up in Mr. Obama's 2004 Senate campaign**. There is nothing to indicate that Mr. Obama did any favors for Mr. Rezko, but there is **ample evidence that Mr. Rezko did favors for Mr. Obama**.

Court records show that G.E. was due to be in court on Jan. 5, 2006,

for example, obtaining an order to seize \$1,297.39 from one of Mr. Rezko's checking accounts.

As a result, when the **Obamas bought part of the land from Mrs. Rezko seven months later to widen their yard, the money they paid was beyond the reach of Mr. Rezko's creditors, including one conducting a court-ordered hunt for his assets to recover a \$3.5 million debt.**

Less than a week later, **Mrs. Rezko sold a 10-foot-wide strip of the empty lot to Mr. Obama, for \$104,500, so he could widen his side yard.**

Davey Ballog

"We're opportunists," Ballog says of his band of thieves and con artists, made up of relatives, friends, mob-connected gambling associates and crooked cops.

Ballog hustled at the Arlington Park, **Hawthorne** and Sportsman's Park **race tracks**, offering tips to bettors on horses and sharing in winnings when his advice proved on the mark. He says he wasn't a "tout," since he gave tips on only one horse in each race rather than ensuring himself of a win by touting several horses.
